DUUX®

Your ultimate wellness companion

Compact and easy to use

On the table, your nightstand or even on the floor: Iconic looks the part wherever you place it. And because it's so compact, it's very easy to move around. Settings can be adjusted with just a single touch.

Aromatherapy

Aromatherapy has been used for centuries to stimulate the senses. Every fragrance has its own effect. Add a few drops of aromatic oil to Iconic and enjoy an amazing sense of wellness and relaxation – all in your own home!

Energy-efficient ultrasonic technology

Iconic blasts aromatic mist using inaudible high-frequency sound vibrations. This diffusing technology is exceptionally energy efficient and silent.

Illuminated LED-ring

Of course Iconic's pleasant fragrances already help you to relax, but the illuminated LED-ring at the top adds to that pleasant atmosphere and is the perfect finishing touch to your relaxation ritual.
